To whom it may concern

The very distinguished Mr' Jox' Escandell Vila
has been working with me very closely in several
occasions, both as an assistant and as collaborator
in realizing artistic projects.

He's an excellent musician, with a very deep
knowledge of musical styles and a natural gift
in understanding the vocal phrasing and therefore
musical theatre.

His talent - coupled with the profound humanity
of the person - suggest Mr' Escandell for any
musical institution of high standard, both as
a conductor and artistic advisor

Yours faithfully

Marco Guisardini
